| <b>Location:</b>            | Burlington Township, Bradford County, District 3-0   |
| <b>Completion Date:</b>     | 1.1.1999   |
| <b>Construction Cost:</b>   | \$1,023,415  |
| <b>MPMS #:</b>              | 6163   |
| <b>Contact Information:</b> | Christopher D. King<br>570.368.4255   chriking@state.pa.us   |
| <b>Themes:</b>              | Build towns not sprawl   |
| <b>Project Overview:</b>    | <p>The project reconstructed US 220 in the Borough of Picture Rocks. The project included new travel lanes and shoulders, a paved parking lane (where cars were previously parking on the sidewalks), drainage improvements, new sidewalks (except where historic slate sidewalks were retained), reset hitching posts, new street trees, and preparation of a pictorial history of the Borough.</p> <p>Extensive coordination with the affected property owners and the SHPO were done throughout the project. House-by-house interviews were conducted with those property owners who had slate sidewalks and/or hitching posts to determine their interest in keeping either.</p> |
| <b>Lessons Learned:</b>     | Coordinate not just with the resource agencies but with the affected property owners for a worthwhile outcome.   |
